## Fiber-to-the-Home 2-Year Service Agreement H&B Communications, Inc.

## **Terms of Service:**

Upon execution of this agreement by both parties, H&B will bury fiber to the customer location stated below as well as complete a basic installation<sup>1</sup> within the household, and the Customer agrees to the charges outlined below. This agreement will stay in effect for two years from the date service is installed. If customer terminates a service that was part of a pricing bundle, the remaining services will be adjusted to their unbundled rates. Upon written notice, H&B Communications may adjust programming and/or service pricing. After two years, monthly fiber installation charges will be discontinued and a contract renewal will not be required.

contract renewal will not be required.
